

# Satellite1 Ultra — pressure\_divider

Authoritative definition is exports/step/pressure\_divider.step. This sheet is generated from the same B-rep for inspection reference only.

## Inspection dimensions

|                        |                           |
|------------------------|---------------------------|
| Bounding X             | 160.00 mm                 |
| Bounding Y             | 160.00 mm                 |
| Bounding Z             | 22.70 mm                  |
| Volume                 | 139.08 cm3                |
| Solids                 | 1                         |
| Faces                  | 94                        |
| Official mount pattern | +/-45.0534, +/-31.5467 mm |
| Official seating plane | Z = -8.80 mm              |
| Cable passage          | 8.00 mm                   |
| Thickness              | 4.00 mm                   |

|                    |                                            |
|--------------------|--------------------------------------------|
| Quantity:          | 1                                          |
| Material:          | ASA                                        |
| Print orientation: | flat, acoustic face on bed                 |
| Evidence:          | VERIFIED_DIGITALLY                         |
| Source commit:     | 7f011c522f93                               |
| Units:             | millimetres                                |
| Projection:        | isometric / front / side, CAD tessellation |
